

# MAIR 2022-23

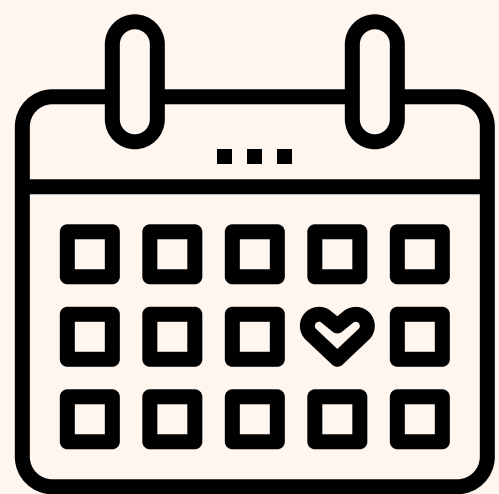

## Summer 2022 Update

### **You are a member, and membership has its privileges!**

Did you sign up for MAIR membership in March? You didn't? Do you work in Institutional Research, Planning, or Effectiveness at one of Mississippi's colleges or Universities? If so, welcome to MAIR; your membership fee for non-voting membership has been waived for 2022-23. Are you a graduate student in a higher education or educational leadership program here in Mississippi? We welcome you to MAIR as a non-voting member too! This membership connects you to other IR/IE/Strategic Planning professionals in Mississippi, including opportunities to participate in webinars and symposiums that the officers have added to this year's calendar.

Do you know former MAIR members who have **retired** from institutional research/effectiveness/planning from a MS Institution or system? We want to give them Emeritus status.

Click **HERE** help us get in contact.

# Mark your calendars!

## A Change In Leadership

At the annual conference in March, Dr. Amber Nelms, from Northeast Mississippi Community College, became President, by appointment of the Executive Committee, due to the retirement of Dr. Stephanie Diffey. July 18, Dr. Nelms will accept a position at Jackson State Community College in Jackson, TN, and so Ms. Chrisa Mansell, from Delta State University, will step up to be President, and Ms. Diann Nichols will move from the Treasurer position to be Vice President. These changes are in accordance to the by-laws of the organization. The Executive Committee will appoint a new Treasurer at their monthly phone meeting on July 7. Join us in congratulating Dr. Nelms on her new endeavor and welcoming Ms. Mansell to the Presidency.
